Please join us for a fun'raising great time. Ken has been hosting “Freedom Rings” for over 11 years now. Over this time period, he has had to fill in for paying for the radio time when contributions and advertising weren't enough. Over this period, a \$5000 debt has accumulated. We would like to get rid of this debt and set up a monthly pledge program that would bring back a two-hour show.

Volleyball, “bags”, swimming,
and great conversation!

The pig roast will be served at about 5:00 PM. Includes all the trimming--2 types of potato salad, baked beans, cole slaw, fruit salad, and assorted other salads, appetizers and desserts. Beer and soft drinks supplied.

After the pig roast, we will have a live band.

And then, after dusk, a bonfire.

If anyone would like to stay overnight, we have one guest bedroom, couches, and a lot of room outside to pitch a tent.

\$25 per person, \$10 for children under 12, Children under 5 are free
